REQUEST FOR APPLICATIONS

Grant to Promote District of Columbia Voting Rights and Statehood

Release Date: Friday, August 7, 2015

Application Due Date: Friday, August 21, 2015 at Noon

SECTION 1: FUNDING OPPORTUNITY

Effective August 7, 2015, the Office of the Secretary, pursuant to the City-Wide Grants Manual and Sourcebook (Section 7.2) reissues the Request For Application (RFA) entitled *Grant to Promote District of Columbia Voting Rights and Statehood* to provide all eligible applicants the opportunity to submit specific program activities that provide support for Mayor Muriel E. Bowser's initiatives to achieve full voting rights in the United States Congress, and, ultimately, statehood for the District of Columbia. This RFA will be open on August 7, 2015 and will close on August 21, 2015 at Noon.

Background

The residents of the District of Columbia serve in the military and pay federal taxes but continue to lack full democracy and the rights that residents of other states and municipalities enjoy, including autonomy from congressional oversight, voting representation in Congress and statehood.

The District of Columbia Home Rule Act of 1973 provided limited "Home Rule" for the District by allowing election of a Mayor and Council of the District of Columbia. Since the inception of Home Rule, the District's elected officials and various groups have pursued strategies to raise awareness and work towards achieving voting representation in the U.S. House of Representatives and U.S. Senate and statehood. Yet democracy for the District has been derailed by the Charter itself, the courts, non-germane proposals restricting the District on must-pass Congressional legislation, riders on appropriations bills, and insufficient support for enactment of various budget autonomy and statehood proposals in the United States Congress.

For over a decade, the District has allocated funds to nonprofit organizations for educating citizens around the nation and pursuing strategies that highlight the continued lack of full democracy in the nation's capital. In addition, since 1990, District residents have elected a "shadow" delegation to Congress in order to promote statehood, and District residents have voted for, and the Mayor has supported, amending the Charter to allow for budget autonomy.

The Office of the Secretary is charged with responsibility for managing the funds allocated for voting rights and statehood initiatives for DC residents. The Fiscal Year 2015 Budget authorized \$200,000 for the Office of the Secretary to issue competitive grants to promote voting rights and statehood. The Office of the Secretary has already awarded \$65,100 to

other organizations and as such, \$134,900 is still available to be awarded during FY 2015.

Purpose of Program

The objective of this grant is to strengthen support for District representation in Congress and statehood for the District of Columbia. This effort will require outreach, canvassing, and measurement of support of elected officials and residents across the country and visitors to the nation's capital. The ultimate goal of this program is that the grantee(s) increase congressional and nationwide support for self-determination for the District of Columbia including, but not limited to, voting rights in Congress and statehood.

This program is funded with FY2015 funds, which must be expended by September 30, 2015, with a full accounting provided to the Office of the Secretary no later than December 31, 2015.

SECTION II: AWARD INFORMATION

\$134,900 in District funds will be available on a competitive basis as follows:

- A. 50% of the funds will be awarded on a competitive basis to an organization or organizations dedicated specifically to engaging youth (high school, college students and/or graduate students or other young adults) in civics, government, and/or voting rights in innovative ways by raising awareness through campaigns that include a branding and messaging strategy that include new media, social media and other fresh ideas. Such dedication can be evidenced by the organization's purpose, or through dedicated programming within the organization aimed at youth engagement.
- B. 50% of the funds will be awarded to a non-profit organization or organizations that engage in general or targeted public education, organizing, or legal strategy to advance District of Columbia voting rights and statehood.

The release date of this Request for Applications (RFA) is August 7, 2015. This grant process conforms to the guidelines established in the District's City-Wide Grants Manual and Sourcebook (which is available at <http://opgs.dc.gov>).
