

FY 2010 EXTENSION OF WORKSHARING AGREEMENT

Inasmuch as there have been no substantive changes in the processes, procedures, statutes, policies or regulations that would adversely affect or substantially alter the work sharing arrangement between the Washington Field Office and the D.C. Office of Human Rights, or that would affect the processing of charges filed under the pertinent Federal, state or local statutes, the parties agree to extend the current work sharing agreement that was executed on October 24, 2008 through the FY 2010 Charge Resolution Contract Option Period. This agreement, as well as the attendant Work sharing Agreement may be reopened and amended by mutual consent of the parties.
