

LANGUAGE ACCESS PROGRAM

DISTRICT OF COLUMBIA OFFICE OF HUMAN RIGHTS

Reference Guide: Suggested Outreach Partners

To most effectively access LEP/NEP communities, agencies should consider partnering with special interest groups and organizations that focus on immigrant or multicultural issues. These groups offer platforms for disseminating information, such as local facilities, community events, and media outlets. The following organizations, among others, may be appropriate partners for outreach initiatives. The Consultative Agencies (i.e., the Mayor's Constituency Offices) and the Language Access Coalition may also be able to suggest outreach partners.
